Subject: This weekend

Hi everyone,

In the coming days there will be a lot of talk about Hon. Peter MacKay's decision not to run again. Many in the media have said he's resigning, but he has been an MP since 1997, so after 18 years of serving his constituents he deserves to retire. We all wish him the very best in his retirement.

Closer to home you may see union members knocking on your door tomorrow telling you not to vote for Scott. Busses will be coming from as far away as Miramichi and Dieppe with people who have been giving talking points by union bosses who have their own agenda to make sure our Conservative government doesn't get re-elected, and that means they will be working hard against Scott. Most of the people who will be knocking on doors don't even live in our riding and they don't care about all of the good things Scott has done here. Below is part of the news release on their website.

If one of the union members knocks on your door tomorrow please send us an email and let us know about it.
