

PETITION TO PRIME MINISTER JUSTIN TRUDEAU AND PUBLIC SAFETY MINISTER RALPH GOODALE

We, the undersigned, citizens and residents of Canada draw the attention of the House to the following: Whereas:

- The Liberal Government has established a Prison Needle Exchange Program (PNEP) that will be implemented across Canada by 2019;
- The Union of Canadian Correctional Officers was not consulted on this plan which puts their members and the Canadian Public at risk;
- The previous Conservative Government passed the Drug-Free Prisons Act, which revokes parole for those who are caught using drugs behind bars;
- Under the new regulations an inmate who is approved for the PNEP is not required to disclose to the Parole Board that he/she is on the program;

We, the undersigned, citizens of Canada, call upon Prime Minister Justin Trudeau and the Minister of Public Safety to end the Prison Needle Exchange Program and implement measures that would increase the safety of correctional officers, and surrounding community.
